

ANNUAL REPORT 2021

New Aspirations in New World (December 2021)

As co-organizers of the “New Aspirations in New World” conference in December 2021, Vanguard Service Brigade International facilitated discussions on adapting youth development programs in the face of global challenges. The virtual conference brought together experts from various fields to address pressing issues affecting young people worldwide and develop innovative strategies for educational continuity during the pandemic. Our leadership in organizing this event underscored our adaptability and commitment to youth empowerment despite unprecedented global circumstances.

UN with Civil Society Event (2021)

Vanguard Service Brigade International actively participated in the UN with Civil Society event in 2021, where we emphasized the critical role of nonprofit organizations in achieving the Sustainable Development Goals. Our team showcased how our grassroots initiatives directly contribute to multiple SDGs, particularly those focused on education, economic opportunity, and reducing inequality. This engagement strengthened our position within the global nonprofit community and reinforced our commitment to collaborative approaches in addressing complex social challenges.
